

APPEAL NO. 021783
FILED AUGUST 15, 2002

This appeal arises pursuant to the Texas Workers' Compensation Act, TEX. LAB. CODE ANN. § 401.001 *et seq.* (1989 Act). A contested case hearing (CCH) was held on June 13, 2002. The hearing officer resolved the disputed issues by deciding that the appellant (claimant) did not sustain a compensable injury on _____, and that he has not had disability. The claimant appealed and the respondent (carrier) responded.

DECISION

The hearing officer's decision is affirmed.

The claimant had the burden to prove that he sustained a compensable injury as defined by Section 401.011(10) and that he had disability as defined by Section 401.011(16). Conflicting evidence was presented at the CCH on the disputed issues. While the claimant may have had an accident at work, that does not mean that the hearing officer was compelled to find that the claimant sustained an injury, as defined by Section 401.011(26), as a result of that accident. The hearing officer is the sole judge of the weight and credibility of the evidence. Section 410.165(a). As the finder of fact, the hearing officer resolves the conflicts in the evidence and determines what facts have been established. We conclude that the hearing officer's decision is supported by sufficient evidence and that it is not so against the great weight and preponderance of the evidence as to be clearly wrong and unjust. Cain v. Bain, 709 S.W.2d 175 (Tex. 1986).

The hearing officer's decision and order are affirmed.
